

BOLT AND NUT

SPECIALISED BOLTING SOLUTIONS

2 ENVIRONMENTAL POLICY STATEMENT

Bolt & Nut Manufacturing Ltd is a manufacturing business located at Cannon Business Park, Gough Road, Coseley, West Midlands, WV14 8XR.

We manufacture and supply special fasteners and CNC components to multiple industries worldwide.

We recognise that our day-to-day operations will inevitably impact on the environment in a number of ways, and we wish to minimise the harmful effects of such activities wherever possible.

We will ensure that this policy:

- a) Is appropriate to the purpose and context of this organisation.
- b) Provides a framework for setting environmental objectives.
- c) Is committed to the protection of the environment including the prevention of pollution.
- d) Is committed to fulfil our compliance obligations.
- e) Is committed to continually improve the environmental management system to enhance our environmental performance.

This policy describes how this will be achieved.

Compliance with this Environmental Policy and documented EMS is mandatory within the company.
